GLOSSARY

- **Free** = No charge to use bike locker
- **Paid** = Charged to use bike locker
 - **Fixed rate** = Rate & length of rental are pre-set. Rental ends when time is up.
Example: \$1/hour, ends after 1 hour.
 - **Incremental rate** = Fee is charged by increment of time. Rental doesn't end until customer ends it.
Example: \$1/hour, goes until ended.
- **Memberships** = A way to privatize/partially privatize a group of lockers or for a system administrator to set custom pricing for a specific group versus the general public.
 - **Paid** = Charged to use lockers but can be at different rates for members versus non-members.
 - **Interval rate** = Lets the system administrator set pricing and give a person access for a specific period of time.
Example: \$1/hour for 1 year. Employee can use a locker as many times in that year for as long as they want for \$1/hour. Employee loses access after one year.
 - **Term rate** = lets the system administrator rent out a locker for a specific date range. Administrator can only charge a one-time fee.
Example: \$25 flat fee for employee to rent a specific locker for October 10th-17th. Set by calendar day.
 - **Private:** (Authorization options) Ways in which the system administrator can make sure locker access is only given to specific people.
 - **Administrator Authorization:** System administrator reviews user request and can decide if they are given access.
 - **Email Authorization:** Only people applying from an e-mail with a specific domain can be granted access to locker.
Example: Only employees with a "@ameribike.com" e-mail address can have requests approved
 - **Password Authorization:** Lockers are un-rentable until applicant enters a password created by system administrator. User has access until password changes.
